

DV MISSION IMPOSSIBLE – be spies like us!

Enter an immersive world of spies and double agents - who is watching and who are they watching?

DV MISSION is a 48-hour film competition based on the south coast of the UK that has for the last 17 years been challenging filmmakers to get creative and join a local community of creative media makers.

We give challengers a line of dialogue, a title and a genre and they make a 2-minute film in 48 hours.

We then get our judges to award the coveted Pompey Oscars for 14 categories of prizes.

The 2021 Challenge Obstructions were:

Genre: Cold War Spy Movie

Title: Deception Point

Dialogue: “Do you know what love is? I’ll tell you: it is whatever you can still betray.”

Extra Obstruction*: an eastern European location

**The extra obstruction is for previous winners.*

For this year’s DV MISSION Impossible event you will be meeting agents who will guide you

to your place at the spy’s table. Feast your eyes on competing short films, decipher the hidden messages and decide who are the winning team of spymasters.

Join us with your own spy identity and enjoy another impossible and improbable mission. Expect cold war tension, seat clenching action and the company of fellow spies and double agents.

Who will be this year’s winners of the much-coveted Pompey Oscars?

We asked challengers to share their behind-the-scenes stories with us to be eligible for the SOCIAL MEDIA AWARD us the hashtag #DV MISSION21
